Planning the attack

As one of their club projects, members of Westlake Women's Club have launched a campaign to curb parking violations at Westlake Plaza. If violations continue, they plan to press for legislation to enforce the no parking law. Mapping their strategy are new officers, from left, Mrs. Rod Mansen, vice-president; Mrs. Herbert Brown, vice-president; Mrs. Dean Thompson, president; Mrs. Eugene Morrow, vice-president; and Mrs. J. Kenneth Moran, vice-president. (News-Chronicle photo by Bob Pool).
